

General Information

- We are a family run business located in Houston Texas.
- We deliver sculptures to Houston and the surrounding areas, but do not ship them outside our delivery area.
- Standard starting size for most sculptures is 40 inches tall and 20 inches wide.
- Sculptures are priced by design, size, and delivery location. Please call or email us for a quote.
- Delivery charges include the drip tray and a light and in most cases there is nothing that needs to be returned to us after the event.
- You will need to supply a sturdy draped table near an outlet so we can plug in the light.
- If your delivery requires crossing steps, stairs, or wood flooring please let us know ahead of time.
- All our sculptures are hand carved using chain saws and other tools, we use no molds.
- If you need a custom piece, just ask. We do a lot of custom work, and the cost is not usually as high as you would expect.
- We believe good customer service is rare and we value our customers and look forward to hearing from you.
